

Snowcap Shag

Brand: Woodland Oddities

Product Code: 111118

Weight: 1.00oz

Dimensions: 1.00in x 1.00in x 1.00in

Price: \$34.99

Short Description

A snowy white, scale-covered mushroom with a tall, oval form.

Description

Snowcap Shag adds textural delight with its layered scales and pure white color. Inspired by shaggy ink caps, it evokes a frosted pinecone or miniature fir tree. Perfect for winter-themed collections or to add visual texture alongside smoother pieces.

Appearance

Tall egg-shaped cap covered in layered, feather-like white scales.

Origin & Inspiration

Based on *Coprinus comatus* (shaggy mane), reimagined in pristine frost tones.

Display Ideas

Ideal for winter or minimalist setups, especially when paired with other white or pale mushrooms.

Symbolism

Purity, renewal, and natural armor.

Care & Handling

Dust gently between layers with a soft paintbrush. Avoid exposure to water.
