Short Description

A dark brown, fan-shaped mushroom with elegant growth rings and soft curves.

Description

Walnut Fan makes a bold organic statement with its dramatic shape and rich, warm tones. The cap's swirling rings and flowing form evoke tree bark, smoke, and fossilized wood. It's the perfect natural sculptural piece for earth-toned displays or rustic décor.

Appearance

Wide fan-shaped cap with dark brown growth rings and natural wave to the edges.

Origin & Inspiration

Modeled after reishi and turkey tail mushrooms, with emphasis on wood grain aesthetic.

Display Ideas

Pair with stone, ceramics, or dried flora to enhance natural elegance.

Symbolism

Strength, longevity, and grounding energy.

Care & Handling

Keep in a dry environment. Use soft cloth or duster on the flat cap.
