Short Description

A bright yellow mushroom with a gently flared cap and subtle rippling texture.

Description

Goldspun Chanterelle brings golden hour warmth to any setting. Its trumpet-shaped form and soft folds suggest both movement and balance. With its vibrant tone and natural charm, it's a cheerful and versatile visual element.

Appearance

Bright gold body with gently curled, fluted edges and light gill texture underneath.

Origin & Inspiration

Based on the classic chanterelle, but with a softened top and a slightly exaggerated golden hue.

Display Ideas

Perfect in warm-tone groupings or fall displays. Add alongside soft whites or natural textures.

Symbolism

Abundance, prosperity, and warmth of heart.

Care & Handling

Handle by the stem to avoid damaging the fluted cap. Dust gently as needed.
