Short Description

A smooth, rounded mushroom with warm beige tones and a classic profile.

Description

Hearthcap is the dependable classic—the mushroom that grounds your collection with familiarity and warmth. Its simple curvature and neutral color make it an excellent base, offering versatility and subtle charm without stealing the spotlight.

Appearance

Round, tan cap with soft gradient coloration and a smooth, short stalk.

Origin & Inspiration

Inspired by the common white mushroom (*Agaricus bisporus*), with a rustic upgrade in tone and surface variation.

Display Ideas

Use to balance more eccentric shapes or colors. Ideal for farmhouse or rustic displays.

Symbolism

Stability, home, and grounded presence.

Care & Handling

Keep dry and dust as needed. Its simple form is low-maintenance.
