Short Description

A vibrant red mushroom cap dotted with cream spots—playful and striking.

Description

Emberdot is the rebel of the forest. With a bold scarlet cap speckled in bright dots, it turns heads instantly. It's an icon of curiosity, fantasy, and danger—all wrapped in a perfectly proportioned form. A visual jolt for any curated arrangement.

Appearance

Vivid red dome-shaped cap with evenly scattered cream-colored dots and a short, stocky stem.

Origin & Inspiration

Loosely based on *Amanita muscaria*, with stylized dots and an idealized, symmetrical silhouette.

Display Ideas

Great for whimsical, storybook-inspired layouts or as a focal point in color-driven collections.

Symbolism

Curiosity, enchantment, and the boundary between real and imagined.

Care & Handling

Avoid scratching the surface to preserve the high-contrast details. Display upright.
