## Short Description

A thick, rounded mushroom with a rich, toasted brown cap and royal stature.

## Description

Hearth King stands proud and grounded. Its deeply toned dome is the essence of comfort and strength, like the color of fresh bread crust or warm earth. With its regal structure and classic balance, it brings gravity to any woodland-themed collection.

## Appearance

Rounded brown cap atop a thick, textured stalk. Natural tonal transitions from stem to top.

## Origin & Inspiration

Modeled after porcini and boletus species — a noble staple of the forest floor.

## Display Ideas

Ideal as an anchor piece in earthy displays or rustic centerpieces.

## Symbolism

Stability, tradition, and understated strength.

### **Care & Handling**
