

Woodland Whisper

Brand: Earthy Essentials

Product Code: 1111128

Weight: 1.00oz

Dimensions: 1.00in x 1.00in x 1.00in

Price: \$29.99

Short Description

A muted, sandy-toned mushroom with natural curvature and quiet presence.

Description

Woodland Whisper is subtle and serene, with soft brown-beige tones and a delicate, irregular shape that feels lifted from a forest floor. The flowing lines and soft shadows evoke a feeling of stillness and contemplation, perfect for quiet compositions and earthy palettes.

Appearance

Wavy tan cap with a slender stem, leaning slightly for a natural, wind-touched feel.

Origin & Inspiration

Based on dried chanterelles, with emphasis on the aging process and texture.

Display Ideas

Place in solitary or small groupings to emphasize minimalism and introspection.

Symbolism

Solitude, quiet growth, and reflection.

Care & Handling

Allow to sit on textured cloth or moss for natural support. Do not press or flatten the cap.
