Short Description

A warm-toned orange mushroom with a subtly domed, ember-hued cap.

Description

Ember Cap exudes quiet strength, with a deep orange top that feels as if it's glowing from within. Its smooth, lightly textured surface and sturdy, speckled stem give it the look of something forged in forest firelight. This mushroom adds grounded warmth to any collection.

Appearance

Rounded, matte orange cap over a thick, lightly spotted stem.

Origin & Inspiration

Inspired by *Lactarius deliciosus* and the tones of dying embers in a campfire.

Display Ideas

Best used in autumnal or fire-themed compositions for warmth and contrast.

Symbolism

Resilience, transformation, and inner heat.

Care & Handling

Keep out of direct sunlight to preserve the orange hue; gently clean with a soft cloth.
