Short Description

A vivid, fan-shaped mushroom with radiant rings in sunset tones.

Description

Solar Bloom unfurls like a fiery flower, displaying concentric bands of amber, rust, and gold. Its wide, rippled surface adds a sunburst of natural color. This mushroom is made to shine—perfect for commanding visual attention.

Appearance

Wide, flat fan-like cap with layered bands of warm orange, gold, and deep red.

Origin & Inspiration

Modeled after reishi, with color gradients inspired by the setting sun.

Display Ideas

Use to break symmetry or introduce warmth in displays with natural flow.

Symbolism

Vitality, radiant health, and illumination.

Care & Handling

Store flat to prevent curling. Avoid humidity to maintain shape.
