Short Description

A golden, lightly textured mushroom with a slender stem and sunny feel.

Description

Meadow Cap is cheerful and classic—a golden dome atop a narrow stalk that looks plucked straight from a fairytale glade. Its delicate scale texture adds just enough character to feel real, grounding it in natural charm.

Appearance

Golden cap with soft surface texture and tall, thin stem.

Origin & Inspiration

Echoes of honey fungus, reimagined in a cleaner, softer palette.

Display Ideas

Pairs well with whimsical or nostalgic woodland settings.

Symbolism

Joy, serenity, and the return of spring.

Care & Handling

Wipe with a dry cloth. Display upright in well-lit, cool environments.
