

Sugar Spore

Brand: Earthy Essentials

Product Code: 1111134

Weight: 1.00oz

Dimensions: 1.00in x 1.00in x 1.00in

Price: \$29.99

Short Description

A cream-colored dome speckled with golden sugar-like flakes.

Description

Sugar Spore is delightfully sweet in appearance, with a smooth, creamy body dusted in golden flecks. It captures the playful essence of dessert mushrooms—whimsical, soft, and curiously delightful.

Appearance

Cream dome with golden speckles and a petite, bulbous stem.

Origin & Inspiration

Takes cues from *Amanita muscaria* var. *guessowii*, stylized to feel sugary and soft.

Display Ideas

Use in pastel-themed sets or to introduce whimsy and softness.

Symbolism

Innocence, sweetness, and curiosity.

Care & Handling

Keep out of direct sun to preserve surface details. Handle gently.
