Short Description

A pale mushroom with a ruffled, trumpet-like cap and a smooth, speckled stem.

Description

Ivory Bloom flourishes with a delicately fluted cap that opens like a floral trumpet. Its creamy, speckled body adds a touch of natural whimsy, ideal for airy arrangements or soft botanical accents. Understated and enchanting, it captures the quiet strength of wild beauty.

Appearance

Soft ivory tones with a ruffled, flower-like cap; light speckling across stem and top.

Origin & Inspiration

Evokes wild woodland blooms and the elegance of natural coral formations.

Display Ideas

Pair with dried florals, place near windows, or group with pastel tones for a serene look.

Symbolism

Symbol of quiet growth and gentle resilience—beauty through simplicity.

Care & Handling

Keep in low-humidity environments. Wipe with a soft cloth to maintain detail.
